## GROWTH OF MUTUAL FUND AWARENESS IN

# INDIA

The number of mutual fund investors in India has grown rapidly over the last few years. In 2020, there were around 2.1 crore investors, which increased to 3.0 crore in 2021 and 3.8 crore in 2022. In 2023, it reached 4.5 crore and around 5.0 crore in 2024. By January 2026, the number has grown to approximately 5.34 crore investors, showing strong growth and a huge opportunity in the market. The mutual fund industry is also growing at an average rate of around 15%–20% per year, and it is expected that by 2030, the industry size could cross ₹100 lakh crore, making it one of the fastest-growing investment sectors in India.
